Top Ten Legal Pitfalls for Start-ups

Dr. Nikolaus Uhl, LL.M.

Andreas Michael, LL.M.

Thursday, March 16, 2017, 10.30 am – 12 pm

Unicorn. Brunnenstr. 64 Berlin

Every start-up is unique but still founders often face similar legal challenges. In our workshop, we will present ten issues which often cause difficulties – e.g. pre-incorporation liability or the relevance of a well-negotiated term sheet or the timely transfer of intellectual property. We will explain to you things you should avoid at the beginning of your start-up career in order to be prepared for an unhampered growth of your business.
